What is AUDISOL[®] Naturalé?

AUDISOL[®] Naturalé contains a unique blend of herbal ingredients and oils. The advanced formula helps to:

- Soften excessive earwax.
- Provide relief from dryness, itching and irritation in the ear.

What Causes Ear Irritation?

The external ear canal can become irritated because of the accumulation of earwax, trapped water, dryness of the skin or foreign bodies in the ear. This can cause discomfort, itchiness, and even temporary hearing loss.

Directions for Use

Adjust the spray mechanism of AUDISOL[®] Naturalé to a horizontal position. Press firmly and fully downwards on the spray pump 1-2 times in each ear. Clear away any excess residue with a clean tissue or cotton wool. Use three times per day or as needed.

Warnings

- Audisol Naturalé should not be used in patients with a perforated eardrum, inflamed ears, using grommets, who have had recent ear surgery or suffering from ear infections.
- Do not spray into the eye.
- Keep out of sight and reach of children.
- If symptoms persist, consult a healthcare professional.
